Contract Terms 1) In the event of a cancellation of this event or contract by the client or otherwise, any retainer paid is non-refundable. 2) If your event date changes, we will honor the original contract on the new date as long as we're available. 3) All editing at editors discretion. Our editing style is indicative of what can be found on the Sample Video page on our website. You should expect your video to have a similar editing style once completed, although we'll try to accommodate any special requests! Clients are welcomed to visit our studio and sit in on the final stages of editing to tweak the video to their liking. If interested, please let us know in the 'Special Requests' area of your Prep Form. 4) PROPERTY RIGHTS: The client warrants that he/she has the legal rights to anything the studio will film/edit. The client agrees to indemnify and hold Buerhaus Design harmless for any loss, damage, or liability for infringement of any rights arising from the public use or sale of videos the client hires the studio to produce, edit, or duplicate. 5) We take utmost care with recording, editing, archiving, duplicating and delivering our products and services. However, in the event Buerhaus Design fails to comply with the terms of this contract for any reason, barring 'Acts of God' preventing your event from happening (natural disasters, global pandemics, etc.), the studio's liability is limited to the refund of any monies paid by the client. 6) If the client has not provided info to complete the editing of their video/s in a timely fashion, the studio will complete editing by 'winging it' after a period of 6 months from the event date. Any changes to the video at that point will incur a fee of \$200 per instance. 7) Buerhaus Design reserves the right to, in rare circumstances, void this contract if the deposit/retainer is not received either by check, cash or electronically (Paypal or Venmo) within 10 days of the date in the 'Studio' line below. If you need more than 10 days, please let us know as we're happy to extend that window on a case-by-case basis! We'll usually only void a contract if repeated attempts to reach a client go unanswered. **In simple terms, this all says if we fail to deliver due to our own failure to do our job, you'll get any money paid back; if you opt to have popular music in your video, we ask if you put the video online to password protect it to prevent copyright issues related to using popular music in your video; and ask that our work is not claimed to be that of others. The clients also agrees that addendums or modifications to this contract can only be done by Buerhaus Design LLC. By signing below you and I agree with all of the terms listed here. We also respect your privacy. We'll NEVER send any version of your video to any third party and will not post any videos online from your event if a request is made not to. **Unless otherwise noted in this contract, the videographer/s for your event will be from our experienced family staff.**
